MEAT & MORE

FOR THE LOVE OF BEEF & GOOD TIMES

Dry-aged special

We dry our Irish beef in the restaurant to reach the best possible meat flavour we can get. Like the farmers used to do before our time, age the meat for several weeks in a barn to lose at least 15% of its weight. We control the climate for our meat so it has the potential to age for 120 days.

	Price per 100 gr
Dry-aged Entrecôte starting from 300 gram	€10
Dry-aged Rib Eye starting from 300 gram	€10
Dry-aged Côte de Boeuf starting from 600 gram	€10
Dry-aged Tomahawk starting from 800 gram	€10

Ask for our changing dry-aged meat. Our dry-aged steaks are perfect for sharing

Wet-aged Argentinian Premium Black Angus

Our meat from Argentina is from the Black Angus breed. The bulls wander the flat pampas which gives them a varied diet. While the meat is low on fat, it definitely is the most juicy meat you can get. We always keep our Argentinian meat vacuum packed and on low temperatures so the muscle breaks down for optimal tenderness.
